

**When Mark Burns moved the Council to cut its ties to WILSON PARKING, making Sneddon Street (next to the Dome) 30 minutes free parking, our takeaway coffee sales immediately increased 50%.**

**Mark just moved Council to change some of those bays to one hour free parking, helping businesses with customers that need more time; like seeing your Optometrist.**

**Mark, thanks for caring so much, please keep working on fixing the City's parking and keep going after WILSON PARKING!**

**You have my vote.**
